

COMMUNITY ASSISTANCE PROGRAM (CAP)

Family or Child Sponsorship

Please consider sponsoring a family or child for our Community Assistance Program!

The process is easy!

- 1) Let us know how many children or families you'd like to sponsor by Friday, December 2, 2016.
 - Leave a message with your info at 317-571-2690, x7000, or
 - Fill out our online registration form at <http://tinyurl.com/Register-CAP>, or
 - Email us at CAP@carmel.in.gov
- 2) CFD match you with in-need children or families in our database who are located in Clay Township.
- 3) Shop for your sponsored children or families.
 - We hope to supply you with a "wish list" for each child and have it available to you. If we can't get a list to you, then try to buy an age and gender appropriate gift.
 - There isn't any set dollar amount require; however, \$60.00 per child could be a good amount to consider. This is based on providing a child with an outfit and 2 toys. Spending above or below this amount is still acceptable.
- 4) Deliver wrapped & tagged gifts to Carmel Fire Department Station #41 Headquarters prior to Tuesday, December 6, 2016.
 - Gifts will be delivered with food for the sponsored families.
 - Be sure to tag the gifts so they get to the right child.
 - Do you prefer to personally make the gift delivery to the child or family you sponsored? Just let us know! We will have food ready for you to pick up on delivery day (Saturday, December 10, 2016 from 9-11am).

Some of the children will have wish lists and some will not. If they do not have a wish list, then consider calling their parents for gift ideas. You do not have to get everything on the child's wish list; however, you can if you want. We ask that you choose gifts that would make opening those gifts memorable and exciting for your designated child(ren).

Now you can cherish the thought that you helped make it possible to give a child or family a memorable holiday season!
