Petitioner: _____

Unified Development Ordinance Section Varied from: _____

Brief Description of Waiver: _____

In deciding whether or not the applicant has presented sufficient proof to permit the granting of a waiver, the Plan Commission should consider the following:

- The grant of a waiver will not be injurious to the public health, safety, morals and general welfare of the community.
- The use and value of area adjacent to the property included in the proposed plat will not be affected in a substantially adverse manner.
- The need for the waiver arises from some condition peculiar to the property and such condition is not due to the general conditions of the neighborhood.
- The strict application of terms of the ordinance to the property will constitute an unusual and unnecessary hardship if applied to the property for which the waiver is sought.
- The grant of the waiver does not interfere substantially with the Comprehensive Plan.

Based on all the evidence presented by the petitioner, I approve of the requested subdivision waiver.

I hereby disapprove of the subdivision waiver request for the following reasons:
