

Carmel City

1. Monday, February 6th, 1st Ave NE will be closed to through traffic between Main St and 1st St NE for the installation of a monitoring well. The closure is expected to last 1 day. Access to adjacent properties will be maintained throughout the closure.
2. Tuesday, February 7th, there will be lane restrictions to southbound Range Line Road just north of 126th/City Center so AT&T can access a manhole. Southbound traffic will remain open. The work is scheduled to last one day.
3. Beginning Tuesday, February 7, there will be lane restrictions to 116th street at the east side of the intersection of Range Line Road. Traffic will remain open in all directions. The work is slated to last 2 days.
