CARMEL REDEVELOPMENT COMMISSION
October 3, 2011
CITY COUNCIL REPORT
(Prepared for David Bowers and Brad Meyer 9/21/11)

CRC Meetings

- The CRC held their regularly scheduled public meeting on Wednesday, September 21 at 6:30 p.m.
- Upcoming Meetings:
 - Monday, October 3, 2011 at 5:00 p.m. – Special Meeting
 - Wednesday, October 19, 2011 at 6:30 p.m. – Regular Meeting

Financial Matters:

- The end of month August CRC Operating Balance is \$1,038,839

CRC Public/Private Partnerships:

1. City Center – CRC/Pedcor LLC (Parcel #5)

- a. Please see attached report from Signature Construction (Distributed at 9/21/11 CRC meeting).
- b. Bids for Veterans Way Street plantings, bollards, street lights and benches were reviewed by the Construction Manager and brought to the CRC for review and consideration. The CRC approved the contract, subject to available funding, and contracts are being written.
- c. The CRC staff is working with Pedcor to determine how to proceed forward with the way-finding signage for Veterans Way and the Motor Court.
- d. The Motor Court Exterior wall contract is being reviewed and discussed by the Finance Committee and was released August 1, 2011 for construction.

2. The Palladium (Parcel #7-A)

- a. A “rework” of the west exterior signage for the Palladium is being finalized and hopefully will all be installed by the end of October.
- b. The green roof has been installed at the north roof with finishing touches being completed. Final coordination of the green roof and landscaping along the streetscape is being coordinated by the landscape architect of the City Street Department.
- c. Bids for the landscaping around the Palladium were reviewed by the Construction Manager and brought to the Commission for their review and consideration. Bids were rejected for being over budget. Construction Manager will re-bid the work in separate packages. The CRC staff is working in coordination with CSO Architects and Shiel Sexton on the limestone planter bid package and will bring results at the next regular CRC meeting.

3. Center Green (Parcel #7-B)

- a. Trash cans and benches are on site at the Green. Skate Board “stoppers” are being installed on the benches and this should be completed by 9/23/11.
- b. Final punch list items are being completed.

4. Energy Center Piping Extensions to City Buildings (Parcel #7-C)

- a. The final underground work will be completed by the middle of October. This is still on schedule.
- b. The IT Department will temporarily relocate to Suite #250 in the Lurie Building during the remodeling of their space on the 3rd floor of the Police Station. The ceiling on the 3rd floor is poorly insulated and this is causing heat to escape in the winter and vice versa in the summer.
- c. Work in City Hall has started with work beginning in the HR Department and half of the Engineering Dept on 9/19/11. According to the project manager, work is going very smoothly in the Fire Department. We hope that this continues on all buildings.

5. Main Stage Theater – CRC, REI, Pedcor LLC and Signature Construction (Parcel #7C-1)

- a. The Tarkington Theater is complete and opened! Civic Theater has moved into their new office space.
- b. Interior signage will be installed in the first week of October. Parking Garage redesign is complete and the contractor is pricing.
- c. Punch list items are being worked on and are nearly complete.
- d. Miscellaneous equipment is being procured by the CRC staff at the direction of the Finance Committee.

6. Arts District Lofts & Shoppes – CRC/Keystone Development (Parcel #47)

- a. Streetscape work is 98% complete. Light pole installation and caulking of joints is mostly all that remains.
- b. Due to an error with the concrete pour, grinding in the courtyard is ongoing. The contractors will grind down 3”-6” of concrete in order to properly install the rubber water proof membrane and brick pavers. This will make the garage “weather tight”.
- c. The work on the fountain within the courtyard is underway. Hopefully this will be substantially complete by the middle of October.
- d. Huddles Frozen Yogurt, Adara Day Spa and Café St. Tropez have recently opened within this project.
- e. The Monon Trail stairs on the east side of the trail are open and operational. 2nd Ave NW is nearly completed.

- f. Bids are being received for the redesign and rework of the west side of the Monon Trail.
- g. Dave Littlejohn of the City of Carmel is reviewing the bike plan and will recommend locations for bike racks on the streetscape level. A total of 10 racks are required within the parking garage.

Marketing & Public Relations Update:

1. News and Events

- a. The second edition of the CRC newsletter was distributed to all households in Carmel at the beginning of September.
- b. Upcoming Arts & Design District events include:
 - i. Saturday, September 24, 10 a.m. – 6 p.m. and Sunday, September 25, 10 a.m. – 5 p.m. – Carmel International Arts Festival
 - ii. Saturday, October 8, 5-10 p.m. – IU Health North Hospital Gallery Walk
- c. Members of staff are working in partnership with the City on preparations for select upcoming events, including the Oktoberfest event in Merchant's Square as well as the Veteran's Day Ceremony. Oktoberfest will take place on Friday, October 14 and feature a performance by Polka Boy as well as food, drinks and activities from local merchants. The Veteran's Day Ceremony will take place on Thursday, November 10, 12:00 p.m. at Tarkington Theater to honor local veterans.
