RE: April 16, 2018 Council Meeting Agenda Add-On Items

DATE: April 13, 2018

Dear Council Members:

I would appreciate the approval of you, my fellow Council members, to add Ordinances D-2421-18 and D-2422-18 to Monday's Council agenda.

D-2421-18 permits the use of golf carts on certain local streets within the Village of West Clay. D-2422-18 is a housekeeping ordinance that amends the Ordinance Violations Bureau's jurisdiction to include violations of the golf cart ordinance.

I would appreciate your consideration in adding these items to the Council agenda.

Sincerely,

Anthony Green
