RE: February 18, 2019 Council Meeting Agenda Add-On Item

DATE: February 18, 2019

Dear Council Members,

I would appreciate the approval of you, my fellow Council members, to add an appointment to the Hamilton County Solid Waste Management District to this evening's Council agenda.

The Hamilton County Solid Waste District Board oversees the Hamilton County Household Hazardous Waste Disposal Site which is funded by Solid Waste property taxes. It has recently come to the Board's attention that per Indiana Code, the legislative body of the municipality with the largest population has a seat on the Solid Waste Board. The City of Carmel currently has the largest population in Hamilton County. With this in mind, we will need to appoint a representative from our body to serve on this Board.

I would appreciate your consideration in adding this item to the Council agenda so that we can make this appointment and have our representation on the Board in a timely manner.

Sincerely,

Jeff Worrell
