

MEMORANDUM

TO: Carmel Common Council Members
FROM: Jeff Worrell, Common Council President
RE: October 21, 2019 Council Meeting Agenda Add-On Item
DATE: October 18, 2019

Dear Council Members,

I would appreciate the approval of you, my fellow Council members, to add Resolution CC-10-21-19-04 to this evening's Council agenda. This resolution corrects scrivener's errors contained in prior Common Council Resolution CC-09-16-19-04, and approves the transfer of certain real property upon which the Carmel Fire Department Headquarters is located to the Carmel Redevelopment Commission. This matter is time sensitive because a failure to correct these scrivener's errors will prevent the proper transfer and recordation of the property at issue and thus thwart the wishes of both the Common Council and the Redevelopment Commission.

Sincerely,

Jeff Worrell
