Peace Water Winery - Arts & Design District

Whether it's cold craft pints, a velvety Pinot Noir, a shot of white whiskey over ice or your first taste of beer on cask, you will enjoy Carmel's new Brews & Barrels Trail.

Launched in 2020 to celebrate our growing family of breweries, wineries and distilleries, from Danny Boy and Deviate to Union and Flix, award-winning master brewers are ready to fill your mugs and growlers with a variety of styles and flavors. If you are more inclined to wine, Peace Water's California grapes and Sugar Creek's Indiana vines will please your palate. Hit the trail and experience more than a dozen stops from 96th Street to the Village of West Clay to Sun King's rooftop in the heart of Midtown Carmel.

Whether you're visiting places in your neighborhood or traveling from out of town, securing a safe ride is an absolute must. Driving under the influence of alcohol is never a good idea. No designated driver? Download and use the Lyft or Uber app on your phone.
